| Pit Vehicles: | Pit Vehicles must be a registered vehicle or must pay BHF - \$35 event or \$25 per day - forms on our website. |
| Wavier: | Everyone entering the track MUST sign the AKRA and BHF waiver and have all wristbands on at all times. And must follow all supplemental rules - separate paper - see our website for additional information |
| Track Entry: | Those who have not pre-entered for pit passes or do not have one and arrive after our pit building closes must provide RVKC with a complete list of names of all those that are planning to arrive after our pit registration is closed. You also will have to provide your contact information (drivers license) for ALL individuals including car license plate with the BHF security guard (BHF will have an attendant 24/7). And must sign both the AKRA and BHF waivers. And you also must return once our gate registration opens to pay for your pit passes, to confirm that all waivers were signed, receive your wristbands and then your license(s) will be returned. If you have pre-paid for your pit passes and arrive after our gate registration hours, we will have your pre-entries package ready for you at the security check point - but we must know ahead of time that you will be arriving late, the time you plan to arrive and provide us with a complete list of name of all of those that are planning to arrive after our pit gate registration closes or we cannot let you in. We cannot let anyone in after pit registration closes without a pit pass - BHF will NOT allow anyone to park and camp OUTSIDE of the gate areas. If you are planning to arrive after our pit gates close (either pre-paid or not), you also will need to contact RVKC at least no later than 8 p.m. of the day that you are planning to arrive.. as we need to arrange to have those allowed to enter - RVKC Contact 630.814.9150. If you choose to fail to register or sign all waivers - you will not be allowed on the premises and not allowed to participate in any activities. |

River Valley Kart Club Helmet Requirements 2026

To ensure driver safety and consistency with national standards, all helmets used at RVKC events in 2026 must meet current FIA, Snell, or SFI certification requirements and fall within the approved expiration dates. Several older helmet certifications will no longer be accepted after December 31, 2025, including Snell SA2015 and M2015 helmets. Key points for the 2026 season include: Snell SA2020, M2020, and K2020 helmets remain valid through Dec 31st, 2030
